**Macao, Special Administrative Region of the People's Republic of China** (May 28, 2007) – A special Macao Recruitment Fair staged by The Venetian Macao Resort Hotel over the weekend attracted over 14,000 local citizens to Level 2 Exhibition Hall of the Macau Tower. The event showcased the 1,000 plus career opportunities for local people in Macao offered by The Venetian Macao Resort Hotel which will be opened later this summer.

The Venetian Macao Resort Hotel will be one of the largest hotels in Asia and will be Macao's first true mega-resort. It will feature 3,000 all-suite rooms, 1.2 million-square feet of meeting, convention and exhibition space, world-class entertainment in a 15,000 arena and an impressive array of dining, shopping and recreation options. The Venetian Macao is owned and operated by Las Vegas Sands Corporation (LVSC), also operator of the Sands Macao, which currently employs over 9,500 staff in Macau of which 82% come from the local community.

At the Recruitment Fair interested candidates were able to learn more about the enormous variety of opportunities on offer to them and make an immediate application on the spot.

Mr. Mark Brown, President of Sands Macao and The Venetian Macao Resort Hotel was pleased with the turn-out from the local Macao community for the Recruitment Fair event. "The number of people from Macao attending the event exceeded our expectations. At the event we were able to confirm our view that there is a wealth of good talent right here in Macao and it is great to see the local community embracing the long-term career opportunities that The Venetian Macao can offer. We have invested a great deal of time and budget on advertising our opportunities to local residents and this event was an important part of the local recruitment programme" he said. Mr. Brown continued: "With the opening of Sands Casino some three years ago, VML has already shown that it is fully committed to providing employment opportunities to the local community – of the over 9,500 staff we have at Sands 82% of them are from Macao – and we are determined to sustain this commitment with the opening of The Venetian Macao by offering the many employment and career opportunities available to the people of Macao".

With the hiring that will take place as a result of the Recruitment Fair, The Venetian Macao Resort Hotel is confident that the majority of its openings will be filled so that staff can undergo training and orientation prior to the opening of the hotel later this summer.
